SUMMARY

10+ years experience creating brand systems, and campaigns across digital & print. I bring a strong eye for visual design and brand standards with experience working across multiple brands and audiences. I take projects from concept to execution collaborating with creative, marketing and development teams to bring ideas to life.

EXPERIENCE

Weigel Broadcasting — Chicago, IL

Senior Digital Designer | APRIL 2022 - PRESENT

- Lead design for promotional campaigns across digital, social, motion, web, and broadcast platforms supporting multiple national television networks
- Create systems and visual assets for show launches, seasonal promotions, and network initiatives
- Design motion graphics, marketing assets, merchandise, and social creative across multiple brands
- Maintain creative consistency across campaigns by guiding design, execution, feedback, and production across teams
- Collaborate with marketing, production, engineering, and creative teams to guide fast-turnaround in a deadline-driven broadcast environment
